Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56, enclosed are copies of twenty-one (21) references for the Examiner's review and consideration. These references are listed on the enclosed Form PTO-1449 entitled "List of References Cited by Applicant." These references (AU-BO) are listed in reverse-chronological or alphabetical order.

Identification of the foregoing references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review the references and make them of record by completing and returning the enclosed List of References.
